About the Scholarship's Origin

Jim Roberts passed away in November, 2007. To memorialize his contributions to NAEP and the environmental profession in general, a group of his friends and associates convened at the 2008 NAEP Annual Conference in San Diego, California and formed the Jim Roberts Memorial Scholarship Committee. This scholarship is the result of the work of that committee.

About Jim Roberts

Jim served as President of NAEP from 1996 until 1998 and Vice-President from 2003-2004. He also held other leadership roles including:

NAEP International Committee Chair (1994-2007)
NAEP President's Council for Sustainable Success Chair (1997)
NAEP Ethics Committee Chair (2000 – 2007)
NAEP Parliamentarian (2006 – 2007)

Jim had tremendous expectations for NAEP and its members and was willing to commit a large portion of his time and energy to facilitate the realization of this vision. Jim enjoyed working with other environmental professionals through his NAEP connections. He always stated that you have to participate in the profession in order to benefit the most from it. He wrote countless articles and encouraged members to engage in discussions on environmental topics, including environmental ethics, a subject to which Jim demonstrated a personal commitment. Jim was a key member of the team that developed a proposal for AEP, at that time, a separate but similar organization in California, to affiliate with NAEP as its California Chapter. He had been a long-standing member of both organizations and honored by AEP in 1991 with a Lifetime Achievement Award for his contribution to the environmental profession. Four years later in 2003, Jim was named a Fellow of NAEP for his lifetime of contributions to the organization.
