

# Sustainability, Social Responsibility, Energy Conservation & Fall Maintenance Conference

October 4-6, 2009 | St. Louis, Missouri | Hilton St. Louis at the Ballpark

## IBTTA and ITS America join forces on Sustainable Transportation and Facility Maintenance. Agenda highlights include:

- **Congressman (MO-3rd) Russ Carnahan** joins us on Sunday, October 4th.
- Learn about **The “Four Legs” of Sustainable Transportation**. Join **John Charles, President & CEO, Cascade Policy Institute** and his expert panel, including **Allen Biehler, President of AASHTO** and **Michael Replogle, Global Policy Director of ITDP** to find out what they are.
- **Dennis Archer, Chairman, Dickinson Wright, PLLC, and Former Mayor of Detroit** will speak about the role of the federal government in promoting sustainable transportation policies for metropolitan areas.
- Hear the views of the **FHWA and the US DOT ITS Joint Program Office** on operational strategies, policies and supporting ITS Technologies and their impacts on climate change.
- **21st Century Roadway Maintenance** – what does your maintenance program look like?
- Improve 802 Bridges by 2014? **Join the Missouri DOT** to learn about their **Safe & Sound Bridge Project**.
