

CALL FOR PRESENTATIONS
2010 Annual Conference
Wednesday, May 12 – Friday, May 14

The Pennsylvania Association of Environmental Professionals (PAEP) is pleased to announce its annual Conference to be held at the Bear Creek Mountain Resort and Conference Center in Macungie, PA from Wednesday, May 12 through Friday, May 14, 2010.

For many years, the Annual Conference has created an educational environment for attendees to learn about important issues affecting our careers, lives, families and our world.

Professionals involved in environmental fields are invited to submit proposals for presentation topics at the Annual Conference. As always, PAEP is interested in proposals that are cutting edge, relevant to a broad-base audience, and that will help to educate and motivate the audience.

PAEP offers three different tracks including P2E2, Natural Resources, and Regulatory/Professional Development. We also will accept suggestions for general sessions that will be of interest to all attendees.

REQUIREMENTS: To be considered for inclusion in the conference, each person submitting a proposal should complete the form on the following page with attached details and submit to keithmcn@aol.com no later than October 1, 2009. If you do not have a presenter in mind, please feel free to provide the suggested topic, and note that you are unsure of the presenter.

EXPENSES: All conference presenters are expected to pay the conference registration fee (if attending workshops), as well as expenses related to travel, hotel, and non-conference meals.

Presentation topics will be selected and presenters notified on or before November 1, 2009. Speakers are considered confirmed after submitting a signed agreement provided by the PAEP office.

Proposals should be sent electronically in Word format to: keithmcn@aol.com by Thursday, October 1, 2009.
